

GOVERNOR (1977-1985 : MATHESON) [446]

EXTRADITION CASE FILES, 1967-1985.

5.45 cu. ft. and pending microfilm reels

DESCRIPTION: This series contains correspondence between Governor Matheson's office and officials from other states concerning extradition of fugitives. From 1977 to 1981, the extradition coordinator for the State of Utah was Tina Falvo; from 1981 to about 1983, the extradition coordinator was Debra Jones. The fugitives concerned include those who committed the crime in Utah and fled to another state, and those who committed the crime out-of-state and fled to Utah. Most of the crimes committed were burglary, forgery of checks or checks written with insufficient funds, and custodial interference/kidnapping. A notable fugitive whose 1976 extradition file is included in this series is Theodore Bundy, accused murderer who fled to Utah from Colorado. Much of the correspondence and many of the records are from California and Colorado, although a wide variety of states are represented in this series. Other documents in this series are waivers of extradition signed by the fugitives, related court materials, and extradition logs kept by the Governor's office which contain information such as the name of fugitive, the alleged crime, from whom the Governor's office received the extradition request, and the location of the prisoner.

ARRANGEMENT: This series is arranged alphabetically by document type (and, as in the case files, thereunder alphabetically by first letter of fugitive's last name), thereunder chronologically by year. The Governor's office saw fit for some fugitives to have a single folder devoted to them; these are filed after the general file of the first letter of their last name within the alphabetical case files (for example, the file on "Abbott, Jack", follows the "A" files).

RELATED RECORDS: The Lieutenant Governor's office maintains CRIMINAL EXTRADITION RECORDS, Series 348, dated from 1881 onward, covering the terms of multiple governors.

PROCESSING NOTE: This series will be microfilmed and the hard copy will be kept because of the intrinsic value of the papers. It was processed by Kira Robertson in August 2001.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
